PARQUET

FOUR SEASONS

Four Seasons

The Floor Experts parquet collection **FOUR SEASONS** has been created for the most demanding clients. With this collection we want to take account of all your wishes. It is an exceptional selection of parquets that is completely treated only after we have discussed it with you. We use colours for two-layer, three-layer and even massive parquets according to your wishes, and the same goes for further treatments. Various combinations of treatments open almost unimagined possibilities to you. As our client you will have more than 2000 different parquets, made to order, at your disposal.

Four Seasons 40

shades of colour ...

GRADE AB (natural):

Unique structure and colour, mistakes like small knots limited or not present, no cracks.

GRADE CD (rustic):

Natural colour variations and sapwood allowed, knots up to 40 mm allowed, cracks filled with black or natural colour filler are limited in numbers.

GRADE DE (extra rustic):

All natural mistakes in wood allowed, unlimited numbers of cracks and knots filled (open or closed) with black or natural colour filler.

You can choose among:

- **3** types of raw oak parquets of the highest quality: three-layer parquets with widths of 189-190 mm, two-layer parquets with a width of 120 mm and massive parquets with widths of 130 mm

- **40** shades of colour: if this is not enough for you, we can make a colour of your own choice
 - **3** different qualities of wood surface (natural, rustic, extra rustic)
 - **4** surface treatments (smooth, brushed, planed, sawn)

Wood is a natural product. Therefore you may see variations in colour and structure from board to board. The images in this brochure are only indicative of the appearance you can achieve and the floor may look different to the samples. Consequently, we suggest you visit your supplier to view the larger display boards which will give a better indication.
